SUPPLEMENT TO REPORT NO.

The following information supplements and clarifies a previous report that the Communist Party of Chile (PCCh) is receiving educational material purportedly from the Cominform in Paris, France for indoctrination of Chilean Communists.

- The educational articles written by Palmiro Togliatti, Mihail Suslov and 25X1X Gheorghiu-Dej, previously reported to have been received in Chile, were Cominform resolutions adopted in Hovember 1949 and issued to the Communist Parties in January 1950.

 these articles to Chile via the Communist Party of France, which is considered to possess better information services than Communist parties of other Latin countries. All of the Latin American Communist Parites as well as Communists in China, India, Africa, etc., are understood by Chilean Communists to have received these articles in the same form as they were received in Chile.
- 2. This material is sent by mail to Chile to the Senate office of Senator Elias Lafertte, President of the Communist Party of Chile. These articles have appeared in the official organ of the Information Bureau, or Cominform, Por Una Paz Durable, Por Una Democracia Popular. It is reported that all the material published in the Communist publication Nuevo Pensamiento is composed of official resolutions of the Cominform.
- The articles originally written in French, English, or Italian are translated upon their receipt in Chile; the Russian language material is translated into Spanish in France before it is dispatched from Paris.

Comment. It is believed that the Chilean Democratic Committee in Mexico may also forward articles prepared by European Communists which it has received from foreign Communists in Mexico City.
